

## Your-economy Time Series (YTS) 2018 Field Variable List

YTS assembles one database from 22 annual Infogroup snapshots following U.S. businesses at their unique location from 1997-2018. The standard field variable list contains all variable names and descriptions including both the original Infogroup field names, and the YTS field name and time-series designation created by BDRC.

- xxxx=year or time series variable available for every year in the YTS database
- blank Infogroup Field Name indicates a unique field variable developed by BDRC
